I suspect that it is Dewey-Burdock which is in South Dakota. R8 is in the process of issuing a UIC permit...thinking draft permit has not been issued yet.

Hi Elaine: Wondered how you were doing yesterday. I'm copying Dana & Lisa for their input....We can also check in with our tribal folks if that would be helpful - let me know. Hang in there!

Thanks,

Amy

Subject: Quick Ur mine question

Hi all.

Hope you are well, or as well as can be. I am wearing black in quiet protest of yesterday's efforts. I have to find some way to express my concern.

Do you know the mine referred to in the statement below? This statement was in a summary of the National DD mtg.

“R8 said that several tribes want EPA to say no to a uranium mine in North Dakota.”

Any clarification would be appreciated. (I did look in Google et., but no luck.)

Regards, E...
